THE "BELLE OF THE BALL."

Would not have been half so charming if she had not been wise as well as "pretty."

The reason is easy to find: Rare Perfumes lend added charm to beauty and the above young lady was posted. Backed up her judgment, too, by supplying her "perfume wants" at the right place;

PUTNAM STREET DRUG STORE.

The "Belles" all know our stock of "society odors" is most complete. One thing is certain—you may forget us, but the remembrance of our DELICATE, RARE and LASTING perfumes will linger longer with you than the memory of the "last rose of summer."

—The election of officers for the Good Templars will be held tonight.

—Clarence Morton, the little son of Louis Morton, is suffering from a fractured collar bone received while playing at school.

—R. W. Vaughn was in Parkersburg Thursday on business.

—Mrs. John Mattern, of Lowell, is visiting friends in the city.

—The name of the Democratic elector in this district was certified to the secretary of state as "Willie M. Lupton" and it so appears on all the official ballots of the state. Mr. Lupton's name is William M. Lupton, and those who are acquainted with the genial and dignified gentleman, know that he is far from being a "willie boy."—Woodsfield Spirit.

—Millinery opening at Bee Hive Thursday, Friday at Saturday.

—Miss Jennie Matthews, of Crooked Tree, Noble county, is in the city, the guest of relatives.

—In Probate Court Thursday marriage licenses were issued to Wm. D. Noland and Emma Boyd, both of Macksburg, and to Levi Little, of Ogden, W. Va., and Mary Heerlich, of this city.

—The Senior class social will be held at High School building this evening.

—Mr. E. S. Blake, of Lower Salem, was in the city on business Thursday.

—The little son of Mr. and Mrs. Bowman, upper Third street, died of membranous croup Thursday morning.

—The regular annual banquet of the Sophomore class of the College will be held at the Bellevue Hotel this evening.

—All candidates for office, whether successful or unsuccessful, are required to make oath before the county clerk within ten days after the election to the amount of money spent in connection with the campaign and for what purpose. Even if a candidate does not spend a cent he must swear to the fact.

—Mrs. W. E. Mason, notice of whose alarming condition was published in Thursday's Leader, died that morning at her home at Mile Run. Her death was peaceful and in her last hours she was surrounded by her family and intimate friends. She had been ill for several weeks, but her critical condition was not generally known until a few hours before her death. Mrs. Mason was the wife of Deputy U. S. Marshal W. E. Mason and had been to her husband a valuable assistant during his official services. She was well known as an efficient clerk in the office of U. S. Marshals Bohl and Devanney and had recently removed with her husband from Columbus to this city. She was 26 years of age and the daughter of Mrs. James Gallagher, who also is confined to her bed with the same disease. The deceased possessed a wide circle of acquaintances, among whom the news of her death will be received with sincere grief. Funeral at one o'clock Friday at the Gilman Avenue M. E. church, conducted by Rev. F. R. Crooks.

—Every legal ballot voted next Tuesday will contain a "sticker" bearing the name of Charles R. Miller, elector, who was appointed to fill the vacancy caused by the death of William K. Miller, of Canton, the regular nominee. The "stickers" will be placed on the ballots by the Judges in each precinct.

—The McKinley Club came out in goodly numbers Thursday evening with their drum corps, and escorted Hon. James H. Hoyt from the Bellevue to the union depot, where Mr. Hoyt delivered one of the most brilliant speeches of the campaign. The space under the train shed was completely filled by his audience. The speaker plunged boldly into the silver question as affecting the farmer and workingman and showed plainly how the home market of the farmer would be practically destroyed by cutting in half the purchasing power of the wages of the latter. He devoted some attention to the tariff issue, upon which Mr. Bryan made 26 speeches in favor of free trade while in Congress. His address was frequently interrupted by generous applause.

—The "South Before the War" company had a good audience at the Auditorium Thursday evening and gave an acceptable performance of the kind. The singing was first-class and some of the specialties above the average, but the orchestral accompaniment was very poor.

—Mr. Mace King and Miss Vest Sherwood were married at Constitution Thursday evening, Oct. 29.

—Grand millinery opening Thursday, Friday and Saturday and Bee Hive.

—Mrs. Kraps and children, of Cumberland, are visiting Mr. and Mrs. Dowling, Fifth street.

—Mr. J. Otto has sold his property on Sixth street between Wayne and Charles streets, to Mr. Charles Close. The property consists of a grocery store and residence adjoining.

—The election returns will be received next Tuesday night at the National Supply Store, Second street. A special Western Union wire was run in Thursday for the purpose.

—The ballots for the election next week will be delivered to the judges in the various precincts today.

—The Junior League of the First M. E. Church will give a Halloween social at the church parlor at 7 o'clock this evening. The Mandolin and Guitar Club will assist. A novel program has been prepared, interesting to old and young. The "Nut Cracking" feature will be sure to take. Everybody invited.

—Jno. W. B. Brown and bride, who were married at Marietta on Sunday, returned home Wednesday evening from their wedding trip. They will board for a few days and then go to housekeeping on upper Market street.

The Luback Oil Co.'s No. 1, on the McKinney tract, at Cairo, has been completed and is a small producer. It was thought, when the well was first drilled into the sand, that it would prove a rank failure, but, on drilling it through the sand, a fair showing was gotten of a grade of oil not before found in any of the wells ever drilled in this field. It is of a beautiful color and has almost the appearance of refined oil.

Beatty & Co.'s well, on the Jones farm in the Hendershot field, which was completed Tuesday, was shot Thursday. Since being drilled in, although not showing up as well as the other two wells completed, the hole has been gradually filling up with oil and it is thought that a good producer will be had when the well is shot.

N. S. Snyder, the well known oil man of Marietta, was here today on his way to the Hendershot field where he is having a well put down on the Boom-raner farm.—Parkersburg Journal.

The J. P. Ridge well in Walker district, was drilled into the deep sand Wednesday and we are informed that it is good for from 10 to 15 barrels a day. This is a rank wildcat and opens up a great extent of that section of Wood county and will develop into a big oil field.

A correspondent writing from Murphysboro says: "A company holding territory here have for some time, been trying to negotiate with their lessees, the latter agreeing to forfeit their rent, also for a certain time the consideration being a test well on a defined block. As yet no agreement has been reached and the land owners seem reasonably confident of abundant opportunity to re-lease their lands should this company tire of it."

BENWOOD OIL NEWS.

The work of developing the Benwood oil field still goes on uninterruptedly. The Fisher oil company made several new locations last week—most of them on their territory east of this place, which is at present the main center of operations.

Holtsclaw No. 4 is in the sand a few feet and they have but a small showing of oil. The prospects for a gusher look rather discouraging at present.

Jacob L. Wood sold one-fourth of his royalty under 42 acres lying one mile northwest of Benwood for \$250.

They have commenced to drill on Tubagh No. 2 and Holtsclaw No. 5 and are getting along nicely all over their territory at present.

Your Boy Won't Live a Month.

So Mr. Gilman Brown, of 34 Mill St., South Gardner, Mass., was told by the doctors. His son had Lung trouble, following Typhoid Malaria, and he spent three hundred and seventy-five dollars with doctors, who finally gave him up, saying: "Your boy won't live a month." He tried Dr. King's New Discovery and a few bottles restored him to health and enabled him to go to work a perfectly well man. He says he owes his present good health to the use of Dr. King's New Discovery, and knows it to be the best in the world for Lung trouble. Trial Bottles Free at W. H. Styer's Drug Store.

THE WORK GOES ON.

Marietta is Interested---It has Much to do With the Welfare of Our People.

Never out of work. That's the case with the kidneys. Twenty-four hours to the day is the time they put in. They're equal to it when they're well.

But they get sick. Stopping positions of the body. Straining, a fall or over-exertion. Often makes the kidneys sick. But the work must go on. They need a helper. They ask for it through the back. When the back aches it's the kidneys. Calling for assistance. Neglect their petition and trouble follows.

Serious trouble, urinary trouble, diabetes, Bright's disease. Doan's Kidney Pills are kidney helpers. Perfect mechanics in their line. Help the kidneys and cure their ills. Hard at it here in Marietta. Relieving tired kidneys, curing sick ones.

The good work goes on. Here's some evidence of it: Mrs. D. E. Parker, of Harmar street, West Side, says:—"My back has been weak for years but during the last three I have suffered with all the symptoms of kidney disease, suffering terribly with a dull, lingering pain in the loins and acute pains if I stooped or lifted anything. My father, Mr. F. M. Longley had kidney complaint for years and used Doan's Kidney Pills. He thinks there is nothing like them. Acting on his advice I got a box at W. H. Styer's drug store on Front St., and used it. I must say that I found them very beneficial and believe anyone will do well to give a box or two a trial if suffering with disease of the kidneys." Doan's Kidney Pills are for sale by all dealers. Price 50 cents per box, 6 boxes for \$2.50. By mail on receipt of price by Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.
